Willkommen / Welcome

*L*iebe Züchterfreunde,

wir freuen uns sehr, Ihnen den Katalog zur nun bereits 9. Auflage des German Masters Sale präsentieren zu können.

Nach einer durch die Corona Pandemie bedingten langen Zeit mit sehr wenigen Veranstaltungen sind wir sehr froh, dass wir auch in diesem Jahr wieder eine Live-Auktion veranstalten können!

Ein Dank geht an die Beschicker aus aller Welt, die uns ihre allerbesten Tiere gemeldet haben und somit einen Katalog mit dieser einzigartigen Qualität erst möglich machen. Danke sagen wir auch an unsere vielen treuen Sponsoren, ohne die eine solche Auktion nicht durchzuführen wäre.

Durch die vielen tollen Anmeldungen ist es uns gelungen, Ihnen den wohl besten German Masters Sale Katalog aller Zeiten zu präsentieren! Mit einem breit gefächerten Angebot von über 150 Katalognummern aus den momentan besten und angesagtesten Kuhfamilien der Welt.

Im Katalog finden sie einige der höchsten genomischen Rinder die jemals angeboten wurden! Das höchste GTPI Tier was jemals auf einer Live Auktion in Europa verkauft wurde, die #1 GTPI Lambda Tochter der Welt und viele weitere hohe genomische Tiere die in sämtlichen Systemen hoch testen!

Dazu eine ganz fantastische Kollektion von über 20 abgekalbten Kühen & Färsen, davon 4 abgekalbte Jerseys!

Eine nie dagewesene Auswahl an fantastischen Typtieren, Embryonenpakete, und das alles in rot oder schwarz. Außerdem die bislang umfangreichste Kollektion an Jersey Jungrindern sowie 2 Brown Swiss Kälber & als Deutschlandpremiere das erste Normande Rind das verkauft wird!

Und das in allen Preiskategorien, für jeden ist etwas dabei!!

Wir freuen uns sehr darauf, Sie am 21. Oktober 2022 zum 9. German Masters Sale, in der Auktionshalle der RUWeg in Fließem, nahe Bitburg, ab 14.30 Uhr zum 'Open Barn' & ab 17.30 Uhr zur Live Auktion begrüßen zu dürfen!

Seien Sie unser Gast und überzeugen Sie sich vor Ort von der fantastischen Tierqualität & verbringen Sie mit uns zusammen einen tollen Abend unter Freunden und Bekannten und erleben Sie die einzigartige German Masters Sale Atmosphäre!

*M*it besten Grüßen,

Ihr German Masters Sale Team

*D*ear breeders,

We are very excited to present you the catalogue of the ninth German Masters Sale.

After a long time with not many Live Events because of the Covid pandemic we are more than happy to organize also the German Masters Sale 2022 again as a live auction!

We are extremely happy and overwhelmed for the consignments we received for this edition from breeders from all over the World. We want to thank the consignors which entered their very best and made it possible to make this great selection we have for the German Masters Sale 2022. Also we want to thank our sponsors which help us make this event possible.

Because of the many signups we received for this years Sale we had the great position to make a catalogue with over 150 lots out of the best cow families which the World can offer.

We believe this is the best offer we ever had at the German Masters Sale! In the catalogue you will find some of the highest genomic animals ever to sell. The #1 GTPI Heifer ever to be sold in Europe will go under the auction hammer as well the #1 GTPI Lambda in the World and many more high Heifers which are in the top of the Charts in many different systems!

As well a fantastic group with more than 20 fresh milking heifers and cows, including 4 super milking Jerseys!

Probably the best group of type heifers ever to be offered at a public auction, polled and homozygous polled animals, B&W and R&W, embryo packages, as well the biggest group of Jersey heifers we ever had, 2 super Brown Swiss heifers & as premier the first Normande Heifer ever to sell in Germany!

There is something for everybody and in all different price ranges!!

We look forward to seeing you all on Friday, October the 21st at the 9th German Masters Sale, this year again in the auction hall of the RUWeg in Fließem, near by Bitburg, Germany. Sale barn opens at 14.30 hr & auction will start at 17.30 hr. Unsere Anlage

Wir haben Boxen in unterschiedlichen Größen zu verschiedenen Preisen; also für jeden Geldbeutel was dabei. Sie sind offen gestaltet, so dass die Pferde immer in Kontakt bleiben. Durch Fressgitter an jeder Box haben die Pferde die Möglichkeit 24 Stunden an Raufutter zu gelangen.

Es wird täglich gemistet und wahlweise mit Stroh oder Spänen eingestreut.

Weideflächen und Paddocks

Die Pferde bekommen täglich ihren Auslauf, im Sommer auf den Weideflächen direkt am Hof.

Im Winter stehen die Pferde auf den Paddocks, wo ihnen selbstverständlich auch Heu zur Verfügung steht.

Unsere Reithalle

Die neue Reithalle (20x50m) bietet viel Platz für das tägliche Training. Anschließend kann Ihr Pferd sich unter dem Solarium entspannen. Für Reitstunden können Sie nach Absprache sehr gerne Ihren eigenen Trainer mitbringen.

Egal ob Regen oder Schnee, Reiten tut nicht weh, auch Nichteinsteller können unsere Halle jederzeit nutzen.

Für einen Ausritt in die Natur befindet sich ein traumhaftes Ausreitgelände rund um Niederweis.

Gerne können Sie mit mir einen Termin vereinbaren und die Räumlichkeiten besichtigen.
